

Martial arts activity badge

To earn this badge you need to:

- Take part in a regular martial arts activity that's recognised by your Sports England for at least six months. Show how you've improved by at least one level over that period.
- Take part in a competition or demonstration and talk about your performance with an instructor.

Ask your instructor/coach to fill out the short checklist below to certify that you have met the requirements for the badge. We will ask you to tell the other Scouts a little bit about the activity when you get the badge.

To the instructor/coach - please can you fill in the following short checklist for your student and sign to say they have completed the requirements of this Scout badge. With thanks, 1st Hensingham Scouts.
